Application Information

**Sponsored and run by the *Mid-Hudson Valley Tennis Association (MHVTA)*
in cooperation with the *City of Kingston Parks and Recreation Department***

When? Thursday, July 16-19th for all doubles events, and July 23-26th for all singles events.

Where? Kingston High School (401 Broadway, Kingston), Forsyth Park (Lucas Avenue, Kingston), and Ulster County Community College (Stone Ridge). If we have more than 16 singles players or 16 doubles teams in a draw, the first round will be moved ahead to the Tuesday evening before the dates listed above.

What is important about the tournament? We are running all the doubles events during the first week of the tournament from Thursday, July 16th to Sunday, July 19th. All singles events will run during the second week from Thursday, July 23th to Sunday July 26th. All open events are for anyone. Sr. events require each participant to be 50 or over. Super senior events require each participant to be 60 or over. B-level events are limited to players at or below the USTA NTRP 3.5 level. The tournament directors reserve the right not to accept a B level applicant if it is determined that the applicant's skill level is too high. There are no age restrictions for the B level tournaments, so if you are a new player in your 20s or older, you qualify as long as your skill level fits the description above.

What happens if there are more than 16 people in a draw? How will you get that completed in four days? If this happens, early rounds will begin on Tuesday or Wednesday, which is the 14th and/or 15th for doubles, and the 21st and/or 22nd for singles.

When are entries due by? July 4th. (Absolutely no entries allowed beyond July 4th!!) The draws for all events will be started Monday, July 6th and completed no later than July 10th. That's why we need your entries by July 4th.

Where can I find the Official Draws once they are completed? They will be posted no later than July 11th at Forsyth Tennis Courts, emailed to all participants who provide an email address, and at the following websites:
www.midhudsonstennis.blogspot.com or www.kingston-ny.gov/content/120/1112/default.aspx (click on parks and recreation and find tennis).

What is the entry fee? \$25 per singles event; \$50 per doubles team event. Your entry fee is tax deductible to the extent allowed by law. **EARLY BIRD SPECIAL** – \$20 for each singles event and \$40 for each doubles event if paid and signed up by June 25th. **NOTE** – in doubles events there is the option of only one person from a doubles team who needs to pay for a doubles event and that person will register both players on that team.

How do I sign up? Fill out your registration form with a check made payable to MHVTA to *MHVTA, 48 Dewitt Mills Road, Hurley, NY 12443*. **NOTE:** *The entry must include the check or else it is not an entry.*

Who is the Mid-Hudson Valley Tennis Association? The Purpose of the Mid-Hudson Valley Tennis Association is to grow and enhance the development of tennis in New York's Mid-Hudson Valley and surrounding areas by providing community tennis programs and services to adults and youths and to support organizations and programs that enhance the lives of people through tennis and education programs that are based on health, fitness, character-building, and self-improvement. It is dedicated to building, improving and maintaining public tennis courts and facilities in order to improve the quality of life of children and adults through tennis. *MHVTA was formed in 2011 as a not-for-profit corporation to raise funds to repair these public courts and to promote tennis programs for players of all ages in the Mid-Hudson Valley.*

Who benefits from the proceeds? All proceeds will benefit the NJTL program to develop Jr. Tennis players as well as make improvements for the tennis courts at Forsyth Park.

What is the maximum # of events per player? Three doubles events and one singles event. If you sign up for two or three doubles events, expect to play multiple doubles matches in one day. Use discretion. A minimum 1-hour rest period between matches will be granted unless waved by the players who have to play more than one match in a day.

What is the time commitment expected from the participants? You must be able to play Thursday or Friday evenings from 5:30 P.M. on and all day and evenings on Saturdays and Sundays if you play singles or doubles. **You must be able to play when assigned or risk forfeiting at these times.** You must bend to our time frames. We cannot run a tournament around your schedules.

Tentative schedule: Thursday and Friday evenings will be early round matches with the semi-finals and finals planned for Saturday and Sunday on the respective weeks for the doubles and singles events. The awards ceremony and picnic for ALL events will conclude after the singles finals on July 27th at Forsyth Park. The awards ceremony and picnic will happen on Sunday, July 27th.

What happens if it rains? How will that change the schedule? Rescheduling due to rain is at the sole discretion of the tournament director(s). All decisions by the tournament director(s) are final. For example, if it rains on Thursday, July 17th, those matches might be transferred to Friday, with a second match played Friday or two matches played Saturday to catch up. YOU must be flexible to our schedule, as we cannot run a tournament around everyone's individual schedules.

Can you change a scheduled match in the early rounds? Yes but **ONLY** for matches before the semi-finals and finals if you can play your match before the scheduled time and as long as all participants agree when and where to play. **You** are responsible to set up the match time with your opponent(s) and complete it before the scheduled date and time by the tournament director. It's up to you and your opponent to do that and inform the tournament director of this. However, for all semi-final and final matches in all tournaments, you must adhere to the tournament schedule, as we want spectators to be able to come see those matches and know when they are played. No changes in the schedule and place of matches can be made without prior permission of the tournament directors.

What are players responsible for? One can of championship USTA approved tennis balls per event (winner gets the new can); each player is responsible to bring enough water for proper hydration in the summer months. Finding out their starting times; players will be defaulted for arriving more than 15 minutes late of an assigned match. Only the tournament director(s) can default a player. The winning player or team must immediately report the score to appropriate personnel to find out the next scheduled match. This is important in order to keep the tournament running smoothly.

What is the scoring? For all open events, two out of three sets with a 12-point tiebreak at 6 all. For all Senior events, B level events, and Super Senior doubles best of three sets with a super tiebreaker (first one to 10 points) in lieu of a third set. Scoring may be changed or modified at the sole discretion of the tournament director(s) for all rounds.

A polite request for tennis etiquette: We remind all participants that this is a public event, and even in competitive situations appropriate sportsmanship and behavior is expected. We will (if necessary) impose penalties for infractions for ball and racquet abuse, obscenities, or unsportsmanlike behavior. We ask that all participants follow the USTA code of conduct, be fair in line calls, not foot fault, and ask for help if there is an unclear situation.

Who can I call or email for more information? Scott Taylor at 845-750-8542 or taylortennis1@gmail.com or Tom Turco at 845-389-1488 or ttur73@yahoo.com (Co-directors) or email mhvtennisassociation@gmail.com.

NOTE: ALL decisions regarding the Tournament are the sole discretion of the Tournament Director(s).
